**T**HIS Yakuti or life-giving nectar has been prepared from the best, choicest and richest vegetable drugs. It has wonderful properties of increasing virile power and it rectifies urinary disorders. In fact it makes man a man. This valuable medicine is used in large quantities not only by our Rajas, Maharajas, Nawabs and many of the nobility, aristocracy and gentry in this Country, but it is greatly patronized by people in all countries of Europe, America, Asia and Africa. It is needless to expatiate upon the magical qualities of this our invaluable medicine. We recommend it especially to those persons who desire to tone the nervous system, to strengthen the body, refresh the memory, and to guard against debility. Suffice it to say that the use of this medicine is recommended to those who have any faith in the Ayurvedic medicines. It works like a charm and the effect is lasting. It replaces lost power and rejuvenates the emaciated and it is enough to say that musk is not that which a perfumer admires. It is that which diffuses fragrance of its own accord. Price per tin containing 40 pills, Rs. 10/- only. These pills do not contain any harmful drug and we have received the best certificate from the Government Analyst upon the analysis of this medicine in the Bombay Government Laboratory.

# ROYAL INSURANCE CO., LTD.

(INCORPORATED IN GREAT BRITAIN.)

## SPECIAL NOTES.

**A FIRE POLICY** will protect your property, including personal effects, against Loss by Fire.

**A LIFE POLICY** in the "ROYAL" is a compulsory saving affording immediate provision for your family, and in case of your death secures their independence. The Premiums are not heavy, and the small sums invested periodically are not felt.

For sixty years the "Royal" maintained an unbroken bonus record of Rs. 15 per thousand per annum, in spite of the fluctuations in the yield on investments caused by war and industrial disputes. This alone is an incontrovertible proof of the Company's security, for which the conservative investment policy adopted by its Directors is responsible.

Since the Bonus Declaration in 1925, the Interim Bonuses declared each year have consistently increased, until in 1930, when the results of the past five years' working were examined, it was found possible to declare a Reversionary Bonus of Rs. 21 per thousand per annum in respect of the past quinquennium. That this increased rate of bonus has in no way impaired the Company's future bonus prospects is evidenced by the fact that the Interim Bonus declared in respect of policies becoming claims during the years 1930 to 1933 is at the rate of Rs. 22-8 per thousand and, in view of the Company's past record, it can safely be assumed that future bonuses will not fall below this figure.

**MARINE.** A "ROYAL" Policy covering personal baggage in transit by rail and/or steamer is a safeguard against loss.

**MOTOR VEHICLES.** The "ROYAL" issues Comprehensive Policies covering Private or Business Cars, Commercial Vehicles and Motor Cycles, which afford the Insured protection at moderate rates.

**WORKMEN'S COMPENSATION.**—Rates for this class of Insurance will be quoted on application.

*Forms and Prospectuses can be supplied from any of the Company's Agents throughout India and Burma, or from:—*
